*The above recommendation is on the basis of expected print volume & cartridge cost/yield. The printers can print higher loads as well.
^Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless Operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer, App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See www.hp.com/go/mobileprinting for more details. Requires a wireless access point and in internet connection to the printer; Services require registration.
#HP Printables availability varies by country, language and agreements and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models. For details, visit : www.hp.com/go/hpconnected/help/printablesgs.

Introducing Original HP Toner cartridges with JetIntelligence

More. Pages, Performance, and Protection.

Give your business more professional-quality pages,[1] peak printing performance, and the added protection of anti-fraud technology— something the competition simply can't match.

More Pages	More Performance	More Protection
Original HP Toner cartridges with JetIntelligence are re-engineered for higher ISO yields and more dependable toner level status.	Reformulated toner for a low melt point and hard shell that supports more pages[1] in a smaller, faster printer that uses less energy to print a page.[2]	Enhanced, secure communication between Original HP cartridges and printers helps you get the quality you paid for and avoid potential problems.

Page maximiser technology
- Up to 33% more pages per cartridge than previous generations of HP toner cartridges[1]
- Smaller, more robust parts[3]
- Less cartridge wear[3]

ColorSphere 3 toner
- Low melt core = faster print speed and HP legendary quality
- Hard shell = durable toner for higher yields

Anti-fraud technology
- Your HP LaserJet printer or MFP helps you identify the difference between Original HP and used or counterfeit cartridges as soon as they are installed
- Supports policies you set for your printing fleet

Print gauge technology
- More dependable gauges[4] to ensure you get the most prints possible from your cartridges

Automatic seal removal
- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

Compatible JetIntelligence cartridges for HP Color LaserJet Pro M252/MFP M277 series printers

Color	Standard cartridge	ISO Yield[5]	High-capacity cartridge	ISO Yield[5]
Black	CF400A	1,500 pages	CF400X	2,800 pages
Cyan	CF401A	1,400 pages	CF401X	2,300 pages
Yellow	CF402A	1,400 pages	CF402X	2,300 pages
Magenta	CF403A	1,400 pages	CF403X	2,300 pages

[1]Based on cartridge yields for HP 131A and 507A compared with HP 201X and 508X Original HP toner cartridges. For more information, see hp.com/go/learnaboutsupplies. [2]As compared with previous generation of HP LaserJet printers. [3]As compared with previous generation of HP LaserJet toner cartridges. [4]As compared with cartridge gauges for predecessor products. [5]Declared yield in accordance with ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details on ISO yields, see hp.com/go/learnaboutsupplies.
